## Stewardship

### Go and Make Disciples

In 1991, Marxist guerrillas in the mountain village of Huasahuasi, Peru, executed Irene McCormack, Josephite sister and missionary. Her "crime" was feeding the poor with food donated by overseas aid organizations. The violent activities of these terrorists were a daily reality but, despite warnings, Irene chose to stay in the village with its impoverished people. After thirty years of teaching in Australian schools, Sister Irene found her purpose in life teaching the children of Huasahuasi to read and write. One evening armed guerrillas arrested her and took her to the village plaza, where five villagers were already face-down on the ground. The captors conducted a mock trial. Sister Irene was denounced as a "Yankee imperialist"—even though villagers protested that she was Australian—pronounced guilty, then shot in the back of the head by a girl soldier. The example of Sister Irene and the villagers who died with her has been remarkable, resulting in an annual human rights activities week, community clean-ups, and at least one new Peruvian vocation to the Josephites. Sister Irene also left something just as important—a description of the spirit that called her to go to Peru. Back in Australia in 1987, she explained to family and friends the revelation she received at the age of forty. The call to be a missionary came to her through reflection and prayer. She described it as an overwhelming experience of the unconditional love of God and not simply an intellectual conviction. She recognized God beckoning her through an inner voice. If she were to be true to herself as a woman, a Christian, a Josephite, and a world citizen, she felt she had to respond to the Spirit within. If she did not yield, she believed that she risked spiritual death.

## Respect Life Hispanic Ministries

The St. Norbert's Respect Life Team is working closely with our parish Hispanic Ministry in order to see how people from different cultures and ministries can work together. Fr. Bruce initiated this project in response to Pope Francis' teaching to go OUT to the peripheries and not just remain in the parishes.

St. Norbert has an active Hispanic team where volunteers visit the sick in their homes and hospitals and bring Communion. They also visit people who are isolated, especially seniors who are alone and do not have anyone to talk to. They reach out to feed the hungry and the homeless located at Chapman and 57 Freeway. Another team goes to Tecate, Mexico, to feed the poorest of the poor. They bring food and toys to an orphanage and help at a senior center.

If you are interested in learning about these ministries and maybe give some of your time to love those who need our help, please come to our next meeting on **Saturday, June 10**, from 9:30 to 10:30 a.m. in the Mother Teresa Room of the Ministry Center.

### Vayan y Hagan Discípulos

En 1991 las guerrillas marxistas de Huasahuasi, pueblo de la región montañosa de Cusco en Perú, ejecutaron a la Hna. Irene McCormack, misionera de las Hermanas de san José del Sagrado Corazón. Su "crimen" fue dar de comer a los pobres con alimentos donados por organizaciones del extranjero. Las violentas actividades de estos terroristas eran una realidad diaria pero, a pesar de las advertencias, Irene decidió quedarse en medio de la gente pobre de este pueblo. Después de haber enseñado durante treinta años en escuelas australianas, la hermana Irene encontró el propósito de su vida enseñando a leer y escribir a los niños de Husahuasi. Una tarde, las guerrillas armadas la arrestaron y se la llevaron a la plaza del pueblo, donde ya habían otros cinco poblados en posición boca abajo sobre la tierra. Los que la apresaron condujeron el simulacro de un juicio. La hermana Irene fue denunciada como una "imperialista yanqui", y aunque la gente del pueblo protestó y dijo que ella era australiana, la declararon culpable y la ejecutaron allí mismo, de una balazo en la parte posterior de la cabeza, por una miliciana jovencita. El ejemplo de la Hna. Irene y de las cinco personas que murieron con ella ha tenido como resultado cosas extraordinarias, como una semana anual de actividades en pro de los derechos humanos, limpieza de comunidades y al menos una vocación peruana más para su congregación. La Hna. Irene dejó también algo bien importante: una descripción del espíritu que la llamó a ir a Perú. Aun en Australia en el año 1987 le explicó a sus familiares y amigos la revelación que ella había recibido a la edad de cuarenta años. El llamado a ser misionera le llegó por medio de la reflexión y la oración, lo que ella describió como una experiencia arrolladora del amor incondicional de Dios, y no simplemente como una convicción intelectual. Fue para ella el llamado de Dios por medio de una voz interior. Supo que como mujer cristiana, como hermana misionera y como ciudadana del mundo tenía que responder a ese llamado del Espíritu, o de lo contrario, arriesgarse a una muerte espiritual.

### Respeto a Vida

El equipo de Respeto a la Vida de San Norberto está trabajando en conjunto con el Comité Hispano de la parroquia, donde podemos ver cómo personas de diferentes culturas y ministerios pueden trabajar juntas. El Padre Bruce inició este proyecto en respuesta a las enseñanzas del Papa Francisco de SALIR a la periferia, de NO quedarnos sólo en las parroquias.

Nuestra parroquia cuenta con un equipo de hispanos donde voluntarios visitan a los enfermos en casas y hospitales, llevan la Eucaristía, visitan a personas confinadas en sus casas, especialmente personas de la tercera edad que se encuentran solas y no tienen con quien hablar. Dan de comer al hambriento, como las personas sin hogar que están sobre la Chapman y el Freeway 57. Otro equipo va a Tecate, México, a dar de comer a los pobres; llevan comida y juguetes a un orfanato y también ayudan a un asilo.
