## **THE GIFT OF GOD'S WORD**

On this day of gifts and gift giving, it seems appropriate that we take a moment to reflect on the great gift of God's Word. Because it is creative, God's Word always points to its author, always calls us to respond. Because it is powerful, God's Word can link the sublime with the ridiculous, the transcendent with the immanent, the divine with the human. Because it is graceful, God's Word establishes a relationship of deep intimacy between us and God.

At the heart of God's Word lies a tantalizing tension between the mysterious and the mundane. In our liturgical celebration, this unresolved tension both reveals the meaning of life for us and calls us to respond, to act upon that meaning.

Once accepted and opened, the gift of God's Word is a gift that keeps on giving and keeps on calling us to give in return. It dares us to be like the gift giver and to become gifts for others, not only at Christmas, but at every moment of life.
