

FRIENDSHIP

FRIENDSHIP is the warm feeling between towards more people. It means to show love, care, respect, and kindness towards others.

Scripture - "... I have called you friends, because I have told you everything I have heard from my Father." ~ John 15:15

The language
of friendship is
not words
but meanings.

- Henry David Thoreau

One of the most
beautiful qualities
of true friendship
is to understand and
to be understood.

Lucius Annaeus Seneca

BrainyQuote

PRAYER

Lord, Jesus, you call us to share the Good News of your Kingdom with others. Give me the initiative to bring your love and compassion into the world through what I say and do. Amen.
