

Holy Trinity School

225 South Columbus Street • 740-743-1324 • Somerset, Ohio 43783

Feb. 2017.

Dear Preschool Parent,

Welcome to Holy Trinity School. Our school is excited to be inviting a new class of young students into our school family and we are looking forward to many years of learning together.

Along with registration paperwork, please bring the following information to school prior to school starting.

Registration form (completed)

Custody Papers (when applicable)

Birth Certificate (official copy)

Social Security Number (copy-you can block out first 5 digits, we only need the last 4 digits)

Ohio School Health History (completed)

Physician's Health Record (This must be signed by the doctor and returned to the school office before classes begin)

Dental Record (This must be signed by the dentist and returned before the end of Quarter I)

Immunization Record (We need this to be reviewed by the school nurse. All shots must be up-to-date one week after school starts or the child may be excluded from classes. Families choosing to sign an Immunization Waiver must send a copy into school prior to the beginning of school.)

Holy Trinity School is a safe, family centered environment for students to learn and grow in. The staff and I feel blessed to be working here and are looking forward to many happy school years with your child.

Sincerely,

William Noll
Principal
