Also, we are in charge of the mass at the Marshall site here at 9 am for Catholic Schools Week Kickoff mass on January 27th. Here is the link if your child can help out with that mass here:

This is a great way to showcase our students to the parishioners of SFA on the caliber of our students here at SFA. The parish does help our school financially in a large way and it is a small way to give back. Thanks for helping out.

Concessions

Don't forget if you are scheduled to work the concession stand to come during your assigned time. Concessions we sell during basketball season help all our sports throughout the year that is why it is important to come during your assigned time to help make this successful! Thanks!

Outside for Recess

Just a reminder that if your son or daughter would like to play on the snow hills or on the open lot of snow they must have boots to play on it. It is also good to have snow pants, hat and gloves as well.

PowerSchool and the End of Quarter

Thursday, January 17th is the end of 2nd Quarter!! Please check your child's grades to make sure that they are up to the standards that you expect from your child. Reminder that there is no school on Friday, January 18th.
