

CARES Program & Registration

As members of a caring community we recognize that there are many children of families who, for various reasons, need supplemental day care. Thus we have designed a Before and After School Program for our students.

These programs allow children to experience a rich diversity of growth and recreational activities both indoor and outdoor within the philosophy and value system of the Catholic school. Scheduled homework periods and snacks are provided daily in the After School Program. It is still the parents' responsibility to check homework assignments each night. Obviously, there is no provision for homework or snacks in the Morning Program.

The program will start on the MONDAY THE FIRST FULL WEEK OF SCHOOL and will end THE DAY PRIOR TO THE LAST DAY OF SCHOOL. It will be in operation from 6:30 AM to 7:45AM (before school) and 3:00PM to 6:00PM (after school) on full school days.

Services will NOT be provided on:

1. Any scheduled school holiday

3. Any day school is closed due to unforeseen events
