## MAKE YOUR MARK IN ST. MARY'S, LOS GATOS HISTORY!!! COME ON... HIT US WITH A TON OF MEMORY BRICKS!

The time has come!!!! The groundbreaking for the first St. Mary's School was in 1954. Now, 59 years later, we are embarking on a new phase for St. Mary's School and Parish. We invite you to be a remembered part of our history!

When you purchase a brick, personalized with your family's name, child's name, or as a gift for a loved one, you will not only **Make Your Mark** on the new Abby Sobrato Junior High School building, but you will also enable future students to benefit from a St. Mary's value-centered Catholic education in modern, updated buildings and/or make needed parish improvements.

All gifts to the **Make Your Mark Program** will be directed to the school buildings or parish improvements. With your help, needed upgrades for the grammar school and church can happen!

Bricks will be located throughout the parish and school grounds.

(Note: All persons giving \$500 or more to the Centennial Campaign will automatically get one 4 x 8 brick with name only – choice of family name or husband and wife with last name. These bricks will be located in front of church.)

For bricks with your message, go to [www.stmaryslg.org/memory\\_brick](http://www.stmaryslg.org/memory_brick) for details and to download the form.
