## ARRIVAL AND DISMISSAL

### Morning:

1. Students not participating in a sponsored morning activity **may not be on campus before 7:45 a.m. unless they are in Extended Care or accompanied by their parent.** There is no one on campus to be responsible for supervision of them. If students are on campus prior to 7:45 a.m., they will be sent to Extended Care and will be charged an Extended Care Fee.
2. Students in K3 through 4<sup>th</sup> grade are to be delivered to the covered drop-off in the main parking lot. Staff members will be on duty beginning at 7:45 a.m.
3. Students in 5<sup>th</sup> through 8<sup>th</sup> grades may be delivered to the circle drive in front of the school's office. Students in **8<sup>th</sup>** grade who have siblings in K3 through 7<sup>th</sup> grades may also be delivered in front of the school. This is an 8<sup>th</sup> grade privilege.

### Afternoon:

1. Parents shall display car tags on the dashboard of their car for all carpool lines to facilitate the process for our staff.
2. K3 and K4 will begin dismissal at 2:50 p.m. for those who do not have older siblings in the school. The teachers will bring the students to the front of the old cafeteria and load the students into the cars. Parents are asked to remain in the cars. K3-K5 students who ride the bus, go to

- Extended Care, or have older siblings will be delivered to the appropriate carpool area at 2:55 p.m.
3. The HOV (High Occupancy Vehicles) lane will form directly in front of the church for families who are picking up three or more students. Parents are asked to pull up in front of the church and form a line behind the cones. Staff members will direct them when it is time to move in front of the old cafeteria for pickup.
  4. For families with students in grades 1<sup>st</sup> – 4<sup>th</sup> (also those who have K3-K5 siblings) the carpool will operate by the center car lines. Car lines will form in the middle lanes. All new families should follow the other cars and we will have staff available to direct you for the first few days. Mrs. Hurst will call your name and the children will meet you at the designated numbers. **Please do not get out of your cars; the staff members will load the children into the cars.**
  5. Families in grades 5<sup>th</sup> - 8<sup>th</sup> with no younger siblings will be picked up in front of the school's office.
  6. All 8<sup>th</sup> grade students and their siblings will be picked up in front of the school's office. **This is an 8<sup>th</sup> grade privilege.**
  7. Students will not be dismissed from the office after carpool has begun.
  8. **No students will be dismissed to parents who are not in the carpool lines until the end of carpool. Do not leave your car to get your student.**
  9. CARS THAT ARE PARKED IN PARKING SPACES WILL NOT BE ALLOWED TO MOVE UNTIL AFTER CARPOOL.
  10. Cars must remain in line and not pass other cars until after the horseshoe curve.

**The most important ingredient is PATIENCE as we work through this procedure. The dismissal process is tried and true; it takes everyone's assistance for it to be successful and timely. Bring your rosary; it is a great thing to do during the dismissal process while the kinks are ironed out.**

## **EXTENDED CARE "BEYOND THE BELL" PICK-UP PROCEDURES**

Parents will be issued an orange card to be used for pick-up of students from Extended Care. Parents may enter through the Parish Life Center (PLC) with

their card to pick up their child after school hours. All approved persons who are allowed to pick up students must have this card. This is the only time that parents may enter the school campus through the PLC.

### **ALTERNATE DISMISSAL**

There are times when alternate dismissal procedures are necessary due to such occurrences as inclement weather, funerals, or receptions at either the Church or PLC. On “alternate dismissal” days, parents will be notified by a yellow **FLAG** placed outside the normal carpool area, and in addition a Flocknote **TEXT** message. The procedure during this time is as follows:

- Grades K3 through 4<sup>th</sup> and High Occupancy Vehicles (HOVs) will be picked up in the classroom.
- Grades 5<sup>th</sup> through 8<sup>th</sup> will have normal dismissal in front of the school.

**PLEASE NOTE! The first two weeks of the school year will begin with the alternate dismissal procedures.**

## HOMEWORK

Students in grades three through eight **are required to use agenda books to record assignments**. Homework is assigned for the purpose of reinforcing classroom lessons, extending the curriculum beyond school hours as well as fostering and promoting habits of independent study. Homework may be defined as any assignment due on the following day, or after a specified period of time (book reports, science projects). The average time spent per day on homework varies according to the needs and abilities of each child. **If, in your opinion, your child is spending an excessive time on homework, contact your child's teacher to discuss the issue.**

## HOMEWORK GUIDELINES

Homework is only assigned after a concept has been explained. Homework assignments take into consideration individual differences and are reasonable in length. Homework will include activities completed outside the school which have a direct application to topics being studied in school. Homework is evaluated; however, recording grades for every homework assignment is not necessarily required or expected. **A zero may be given for no homework.**

### Homework - Middle School

1. Assignments that are one day late will have a 10% grade reduction.
2. Assignments that are two days late will have a 30% grade reduction.
3. No assignments will be accepted after two days.

## ABSENTEE HOMEWORK

Parents may request short-term homework for ill or absent students. Such requests must be made at the school office **before 10:00 a.m.** and then be picked up at school dismissal time in the school office. This will allow teachers an opportunity to write assignments without interrupting ongoing learning activities. Students are allowed **three school days** to turn in missing assignments upon returning to school from an excused absence for illness. Failure to complete missed assignments will result in reduction in grades. It is the student's responsibility to obtain assignments and turn in missing work. **If a student is absent the day of a test but was present the day prior for the review, the student will make up the test upon his/her return to school. Homework will be due the following day for students who miss class due to extracurricular activities (sports, etc.). vacation absences. Students who take extended vacation days, longer than two days, will need to follow their**

**teachers' websites for assignments as assignments can change. For extended vacation days, longer than two days, students will need to confirm with their teacher when missing assignments are due, and all assessments may be needed to be taken immediately upon return.**

## **ACADEMIC GRADES AND PROGRESS**

### **POWERSCHOOL**

THE DIOCESE OF PENSACOLA-TALLAHASSEE UTILIZES A GRADE BOOK PROGRAM CALLED POWERSCHOOL. THIS PROGRAM IS AN EXCELLENT COMMUNICATION TOOL BETWEEN TEACHERS AND PARENTS AND IS THE PRIMARY MEANS OF COMMUNICATING STUDENTS' GRADES. IT IS ALSO AVAILABLE AS AN APP FOR SMARTPHONES. THE PROGRAM ALLOWS PARENTS TO LOOK AT THEIR STUDENT'S GRADES AND ATTENDANCE. CLICKING ON A TEACHER'S NAME WILL ALLOW A PARENT TO SEND AN E-MAIL TO THAT TEACHER. CLICKING ON THE QUARTERLY GRADE WILL ALLOW THE PARENT TO VIEW ALL ASSIGNMENTS THAT MAKE UP THAT GRADE. POWERSCHOOL IS USED FOR GRADES 1-8. TO LOGIN TO POWERSCHOOL, GO TO THE SCHOOL WEBSITE

<HTTPS://PTDIOCESESCHOOLS.POWERSCHOOL.COM/PUBLIC/>

AND TYPE IN THE USER NAME AND PASSWORD. PARENTS ARE GIVEN A USERNAME AND A PASSWORD. NOTE: USERNAMES AND PASSWORDS ARE CASE SENSITIVE. TEACHERS UPDATE ASSIGNMENTS AND GRADES ON A WEEKLY BASIS. ANY QUESTIONS CONCERNING THE POWERSCHOOL PROGRAM SHOULD BE DIRECTED TO THE FRONT OFFICE OR ANNE MARIE NEIGER BY EMAILING: ANNEMARIE.NEIGER@SAINTMARYSCHOOL.NET

### **PROGRESS REPORTS**

A student's progress may be monitored by parents through the Parent Portal of PowerSchool. Progress reports, noting a student's academic progress, are online in PowerSchool at the mid-quarter for each of the four quarters for grades 2<sup>nd</sup> - 8<sup>th</sup>. Progress reports may also be given any time a student's progress is not satisfactory.

### **ACADEMIC IMPROVEMENT PLANS**

All students who receive a D or an F on their report card will have an Academic Improvement Plan (AIP). The AIP will list strategies for improvement and will be monitored closely until the grades improve. Academic Improvement Plans

will be written at the end of the first, second and third quarters. The AIP will require a parent/guardian signature.

### **INCOMPLETE GRADES**

In cases of prolonged illness or other extenuating circumstances, a student may receive an Incomplete due to missed assignments. The incomplete grade is initially recorded on the report card as an “Incomplete.” After 10 days, the “I” is changed to the grade earned; if the incomplete grade is not corrected by the end of the ten-day period, the grade reverts to an “F.” Grades will be changed in Power School at the end of the 10-day period.

### **MIDDLE SCHOOL HIGH SCHOOL CREDIT COURSES**

SMCS offers three courses for high school credit, as well as online courses through Florida Virtual School (FLVS). Courses offered are Spanish 1, Computer Science 1 for 8<sup>th</sup> Grade, and Algebra 1. Requirements to take Spanish 1 are a B or A in 6<sup>th</sup> Grade Literature and English courses. The requirements to take Algebra 1 are to receive a score of a 10 on the below matrix:

### **ALGEBRA 1 HONORS QUALIFICATION MATRIX**

<b>SCORE</b>	<b>3 POINTS</b>	<b>2 POINTS</b>	<b>1 POINT</b>
Iowa Algebra Aptitude Test	99-93%ILE	92-86%ILE	85-80%ILE

### **ACADEMIC SERVICES**

At SMCS we offer the following academic services to ensure our students success: certified ESE Teachers, certified Gifted Education Teacher, Title 1 Reading and Math Program, a certified Speech, Language Pathologist (SLP). In addition, we can work with outside private services such as ABA Therapists and Occupational Therapists.

### **STUDENT RECORDS**

A cumulative record of each student is kept on file in the school office. The student record includes final averages for grades from each year, test results, health records, any auxiliary information provided, and school entrance

information. A student's record may be transferred to another school only with the appropriate approval of the parent until such student is a legal adult. The Withdrawal from School Form must be completed and submitted to the school office prior to records being sent. Parents may review their child's records by making an appointment with the principal.

## **STANDARDIZED ASSESSMENTS**

The TerraNova is a nationally-recognized, norm-referenced test that meets most states' annual testing requirements. It provides a series of tests that are easy to administer, stimulating to take, and most importantly extremely accurate in their assessment of student achievement.

Terra Nova is a norm-referenced nationally standardized achievement test.

❖ Nationally standardized means that the test was administered to students across the country at the same time. Norms are also set for the time of year the tests are taken.

❖ A statistical sample of students is involved in the norming. This enables the test designers to establish appropriate percentile scales (norms) indicating how well students of a particular age and grade perform on the test items.

❖ Terra Nova is an achievement test, not a proficiency test such as the state administers. Proficiency tests are those in which students have been taught all the content and are now being tested on whether or not they “got” it. Achievement tests include content that students have been taught and include content students may not have been specifically taught, but that they could be expected to have mastered according to their cognitive ability.

## REPORT CARDS

Report cards are issued every nine weeks. The nine-week grading period is in accordance with Diocesan policy. Report Cards must be signed by the parent/guardian and returned to the school within one week of issuance. The last report card of the year will be mailed home as long as financial obligations are clear.

### Grading Scale

<u>Grade 1</u>	<u>Grades 2 – 8</u>
E – Excellent	A 90-100
S – Satisfactory	B 80-89
I – Improving	C 70-79
N – Needs Improvement	D 60-69
U – Unsatisfactory	F Below 60
	I Incomplete

## PARENT-TEACHER CONFERENCES

Communication between home and school is very important and part of our philosophy at Saint Mary Catholic School. As such, we require parents to receive their child's first quarter report card at a parent/teacher conference. Throughout the year teachers and parents/guardians may request additional conferences to ensure the best possible education for each student. Please call the school office or email your child's teacher to request a conference. If a parent has any concerns in regards to his/her child's education, they should be addressed with the teacher first and if necessary with the principal.

## POLICIES AND GUIDELINES

### ATTENDANCE

Students **may not be dropped off for school before 7:45 a.m.** unless they are attending Extended Care. After 7:45 a.m. students may be dropped off and are to go directly to their classrooms. It is important for students to arrive on time each day in order not to disrupt the beginning of the school day and also be present for important announcements. School begins promptly at 8:00 a.m. To

fully benefit from the instructional program, students are expected to attend school regularly, be on time for classes, and satisfy all course requirements. Poor attendance or excessive tardiness may result in low or failing grades. Students may be counted in attendance only if they are actually present or if they are away from school on field trips or other activities sponsored by the school under the supervision of school authorities.

## **TARDY**

Students who arrive after the 8:00 a.m. bell has rung must check in the office **with their parents**. Signing in does not automatically excuse the tardy. Tardiness is excused only if it is a result of serious or unavoidable circumstances.

**If a student arrives tardy more than 1 hour late (9:00 a.m.) or leaves school more than 1 hour early (2:00 p.m.), the student will be counted as ½ day absent. (This does not include medical appointments.)**

## **CHECKING STUDENTS OUT EARLY**

There will be no dismissals after 2:00 p.m. except for medical appointments with a doctor's note. This is both an instructional and safety issue. Early dismissals disrupt the class routine for the whole class and it is a safety and security issue during carpool.

Appointments for the doctor and dentist should be scheduled after school. In the event a student must leave school during the day, **a note must be given to the teacher at the beginning of the day**. A student will not be dismissed from class before the parent arrives and signs the student out of school. The last bell rings at 3:00 p.m. If a student checks out early, they are jeopardizing their grade and interfering with instruction. If a student checks out early, they are responsible for the next day's homework and any class work missed. The student is responsible for acquiring the assignments.

## **REQUIRED ATTENDANCE**

**Any student who has not been in attendance for instruction for a minimum of 90% of the class each semester may not pass the subject unless the student demonstrates mastery of the student performance standards by passing a comprehensive final exam in the course. This will go into effect after 10 days absence in any semester.**

## **ABSENCE OTHER THAN ILLNESS**

Absences other than illness are approved in advance by the principal. Students missing school for vacations or trips of any kind are excused only with advance permission. Students are required to obtain whatever assignments are missed in advance and **turn the work in the day they return.**

## **BACKPACK POLICY**

Backpacks are to be used to bring materials and books to and from home. They may not be used during the school day. The backpacks will be stored in the homeroom of each student. Students who change classes will take their 3-ring binder and their books only. Girls will be allowed to use a small purse.

Students in grades K3 through 4<sup>th</sup> **will not be allowed to use rolling backpacks.** Students in grades 5<sup>th</sup> through 8<sup>th</sup> may use either type of backpack.

## **SCHOOL BUS**

These rules apply to all students since buses are utilized on field trips. The bus adheres to a strict schedule and does not wait for late students. The bus stops at scheduled stops only. Please do not ask the bus driver to make unscheduled stops. This is for the safety of our children and ensures the bus is on time.

- Students should arrive at least 5 minutes early to their bus stop to account for the bus running early.
- Students who ride the bus will be ready for departure at the last bell. Buses will leave the grounds at 3:00 P.M.
- Students may not get off the bus once they board the bus.
- Except for ordinary conversation, students shall observe quiet conduct on the bus.
- Seatbelts must be used.
- Students must stay seated in their seats while the bus is in motion.
- Students must sit upright with their feet on the floor or aimed toward the floor.
- Students shall not discard garbage on the floor of the bus.
- Students will not eat food or drink on the bus.
- No part of the body shall be extended through the bus window.
- Throwing anything out the window is forbidden and is illegal. A fine can be assessed that the parent will be responsible to pay.
- Students are allowed to ride the bus home with a friend on a space available basis. The cost for a student (who is not a regular patron) is \$5.00.
- Students will close their windows when they get ready to exit the bus.

- If no one is at the assigned bus stop to pick up the students, they are returned to After-Care at the school and the parents are charged.

**Riding privileges may be revoked for rule violations or for conduct that is detrimental to the safe operation of the school bus. The driver is in complete charge of the bus and students.**

## **ALTERNATE TRANSPORTATION**

Students who will be using transportation other than their normal plan must provide a note from home and must be given to the Office. Any transportation changes the day of **MUST BE CALLED INTO THE SCHOOL OFFICE**. Teachers are busy teaching and might miss an email. For example, if a bus rider will be going to carpool, the parent must confirm this change in writing before the day of the change, or on the day call the school Office before 2:15 p.m.

## **CAFETERIA**

Hot and nutritionally balanced meals are prepared daily. The five menu categories are Meat/Protein, Vegetable, Fruit, Grain, and Milk, (usually fat-free, reduced fat, chocolate reduced fat and whole milk choices). On most days, there is more than one selection in each of the categories offered. Students in K3 through 1<sup>st</sup> grades will have their trays prepared with 4 lunch items by the cafeteria staff. They will select their milk type (5<sup>th</sup> item).

Meals cost \$3.00 for students at all grade levels. The non-student (adult) meal cost is \$3.75. A la carte items & extra entrees will cost \$1.75. Students who bring a sack lunch may purchase milk or juice for 75¢.

It is a parental responsibility to provide for a child's lunch. Students can charge meals if they forget their lunch or lunch money; however, charging should not be considered a normal procedure. Students may not charge for extra servings. All charges must be paid the next day. After one day of charges, then the student will be furnished a sandwich and a milk to eat if they do not have money to pay for their lunch.

Lunches and milk for the week may be purchased in advance from the cafeteria cashier. The money should be sent to the homeroom teacher in a labeled envelope. Prepaid credits are maintained by the cafeteria cashier.

## **BEHAVIOR IN THE CAFETERIA**

There are two lunchroom monitors in the cafeteria. The monitors are in charge of the students during their lunch period. Teachers bring students to the cafeteria, get the students seated and then will have duty-free lunch. The monitors will supervise the lunch time for each class and will guide the students in appropriate manners, which will include cleaning up after themselves. Students may bring foods in a thermos or eat from the lunchroom if they require a warm meal.

1. Students are expected to use good table manners.
2. Students will keep conversation to an appropriate noise level.
3. Students will remain in their seats during lunch, unless given permission by one of the supervising adults.
4. Students are assigned by the monitors to clean tables.
5. **No canned or carbonated drinks are allowed.**
6. Students will put trash into the container, clean up the floor, and exit quietly when instructed to do so by the monitors or their teachers.

## **COMMUNICATIONS**

### **FLOCKNOTE MESSAGING**

We use a text messaging program called Flocknote. We highly advise signing up for this service. We communicate important school information on a regular basis through Flocknote. You may sign-up for this through the link on the front page of our website.

### **CONTACTING STUDENTS DURING SCHOOL HOURS**

Parents picking up students, leaving messages, lunches, etc., during school hours must go through the office. Messages for students and teachers will be delivered at a time that does not disrupt classroom activity. Please make every attempt to keep these interruptions to a minimum. It is important that the pick-up procedures/plans be made before the school day begins. We will not accept change in routine instructions for students after 2:15 p.m. unless it is an emergency.

Parents are not to enter the classroom during the school day unless they are scheduled as a volunteer and have signed in at the school office. If you walk your child to class in the morning, please leave them at the door.

## **OFFICE TELEPHONE AND STUDENT CELL PHONES**

Students will use the office telephone for emergency purposes only. Items left at home such as books, homework, music instruments, or physical education uniforms/equipment are not considered emergencies. Additionally, phone calls are not allowed to arrange after school activities; these arrangements should be made prior to the beginning of the school day.

Student cell phones are allowed on campus as long as they remain in the backpack, locker, or cubby. Phones must be turned off during school hours. Cell phones will be confiscated if used on school property between the hours of 7:30 a.m. and 4:00 p.m. Any confiscated phone must be picked up by parents from the principal.

## **MONDAY MESSAGE NEWSLETTER**

On the second Monday of the month, the school will meet together in the gym at 8:00 a.m. We will pray together, share school news, upcoming events, and calendar updates, which will also be posted on the website. This is an excellent way to be up to date on all school news and participate in school fellowship. In addition, we have a newsletter called the SMCS Message. The Message is accessible on the school website under the heading Monday Morning Message and emailed home to all families.

## **DISCIPLINE**

Saint Mary Catholic School strives to provide a positive learning environment where students can learn and reach their full potential. Students and parents are provided a list of specific classroom rules at the beginning of each year. Each teacher has his/her own management system, composed of basic rules, rewards for compliance, and consequences for broken rules. Please be aware that any one list of rules is not all-inclusive but serves as a general guide. It is our intention to work together to insure that each student progresses. As part of this partnership, the school requests that parents discuss the rules at home and take the time to explain what is expected at school.

## **PEACE WORKS**

Saint Mary Catholic School strives to provide students with tools to enable them to act as responsible citizens toward each other and utilizes the Peace Works Curriculum to achieve this goal. The program has a strong emphasis on teaching and modeling acts of kindness every day. The philosophy and principles of the Peace Education Foundation reflect the belief that peacemaking can be taught and that the peacemaking skills are lessons for living a more

joyful, productive and caring life. By opening the minds and hearts of students to these concepts of self-worth and the worth of each person, and to deeper dimensions and values, Peace Works gives them a precious lifetime gift for the enrichment of themselves, their community and their lives.

Saint Mary Catholic School has adopted the following six Peace Rules.

## **PEACE RULES**

1. We cooperate constructively.
2. We speak respectfully.
3. We listen with an open mind.

conduct violations in all grades. These reports must be signed by a parent/guardian and the student and returned to the issuing teacher the next school day. Failure to return the DR or to bring a note from home results in an automatic detention. When a student's behavior fails to be corrected in the classroom, the teacher will conference with the parent.

Teachers, as well as administrators, may assign detention. Parents are notified by the teacher assigning the detention.

## **SUSPENSION**

This is a serious disciplinary measure and is used only after other actions have not succeeded in correcting the problem. There are in-school suspensions and out-of-school suspensions. Parents or guardians are notified by telephone of the suspension and are requested to come to the school for the student unless the suspension is in-school. All concerned parties will meet to discuss the problem and seek a solution.

Suspension may be assigned for the following offenses:

- \*Three detentions accumulated during the school year
- \*Any level two or level three infraction deemed suspension-worthy by the principal
- \*Suspensions are cumulative for the entire school year\***

**Any student with two suspensions on their record at the end of the school year will be placed on probation for the first semester of the following school year.**

## **PROBATION**

This is a trial period when a student must demonstrate good behavior and a willingness to cooperate with other students and the school's staff.

## **EXPULSION**

This is a disciplinary measure used only when incorrigible behavior or conduct threatens the physical or moral welfare of other students or seriously affects the learning process. A parent conference is imperative when such a problem is discovered. The principal, with the approval of the pastor, may expel a student for a grave reason. The Superintendent of Schools is made aware of such problems prior to the parent conference and expulsion.

Sexual harassment is defined as any unwelcome advances, requests for sexual favors, and other verbal, visual, or physical conduct of a sexual nature.

## **BULLYING POLICY**

### **DEFINITION OF BULLYING:**

Bullying is defined as a person *willfully* and *repeatedly* exercising power or control over another person by the use of words or physical aggression. This imbalance of power can take place on school grounds or to and from school, or during any school-sponsored field trip or event. ## **EXTENDED CARE**

The Extended Care program provides quality supervision that fosters development and is available to children enrolled at Saint Mary Catholic School. Parents must first complete a registration form before they may enroll their children. This form should be returned to the Extended Care staff (see Registration section of the school website for costs). Extended Care is offered at Saint Mary Catholic School during the school year from 6:30 a.m. until 7:45 a.m. and from 3:00 p.m. until 6:00 p.m. The program provides students with the opportunity to meet before and after school in a supervised environment for both play and study.

### **EXTENDED CARE RULES**

Failure to comply with the rules listed here can result in a phone call to the parent/guardian and then subsequent removal from the program.

1. Students report to the Extended Care staff person immediately upon arrival in the morning and immediately after school dismissal in the afternoon. The Extended Care staff is not responsible for students who do not report after school.
2. Students may not leave the playground and must stay within the fenced area. If weather does not permit outdoor play, students will be in the cafeteria.
3. Students must have the permission of the staff person to re-enter the school once they are outside. The staff must know where the children are at all times.
4. All students will be signed in at the cafeteria and must be signed out by someone listed on their emergency contact card. If other arrangements have to be made for pick-up, please send a note with your child to school or call the school to let the staff know who will be picking your child up. That person will be required to show a picture I.D.
5. All students will be expected to respect the staff and each other, as well as the materials and environment provided. Students who do not adhere to the rules may be placed in time out. Length of discipline will depend upon the student's age and behavior. Second offense of same behavior will result in a parent/director meeting and third offense of same behavior will result in a parent/principal meeting to discuss student remaining in the program.
6. No electronics are allowed in the Extended Care Program.

## HEALTH

Saint Mary Catholic School encourages student health and fitness to promote a safe and healthy school environment. All students enrolled in Saint Mary Catholic School must have a Florida Physical Examination on file with the school and a Florida Certificate of Immunization for polio, measles, DPT, hepatitis, mumps, and rubella. Enrollment is not possible unless both are on file.

Students complaining of a minor headache or stomachache are allowed to rest in the classroom. Students are not allowed to “rest” in the office. If a student is not well enough to remain in the classroom, the parents are called to pick up the student. Minor scrapes are handled in the classroom. All classrooms have a first aid kit.

Parents/guardians are contacted immediately for information and instructions in case of serious illness or accidents. If the parents/guardians are not available, the Emergency Form is consulted for directions. If no responsible person can be reached, and an illness or injury is serious enough to require medical attention, the administrator in charge will arrange for the student to receive appropriate emergency or hospital care.

Illness covering five days or more requires an excuse by a doctor. A doctor’s statement permitting the student to return to school is required for any contagious disease. Students should be fever-free without medication for 24 hours before returning to school. Students should be 24 hours clear of any vomiting or diarrhea before returning to school.
