

LYFE Youth Program

The vision for the Catholic Community of Cuero youth program is growing and changing. We aim to have all kids, grades kinder - 12th meet on Wednesday nights for mass, a meal, and instruction time during the 2016-2017 school year. We would like to host monthly or bi-monthly fun events (games, movies, lock-in, etc.) for high school and junior high school students. Elementary students who attend CCD and school at St. Michael's would have fun events quarterly to interact and grow in faith together. To reach this vision, it will take everyone's help. Please let us know how you are able to help - there is a job for everyone! Please complete this form and return it to the church office or to Shannon Haun (361-524-0377).

Thanks!
