PASTORAL REFLECTION

The Nineteenth Sunday of Ordinary Time

God's presence is felt more often in tiny, small ways, not in earth-shattering howling wind or rushing fire or storms. He comes to us in gentle little ways and is there present when we need him the most. In the First Reading from the First Book of Kings we have Prophet Elijah who had gone to a cave at Horeb, the mountain of God, where he stayed for 40 days. Convinced that there is no more to do for God, the Prophet asked God in prayer to take his life. But God has different plans and provides him strength to carry on his mission.

In the Second Reading Paul expresses his sadness over the fact that his fellow Jews have not accepted Jesus as Christ and have rejected the Lord. Expressing the great love that he had for his own countrymen, Paul was willing to undergo the worst possible fate, being cut off from Christ, if such could possibly save those that he loved.

In the Gospel of today Jesus miraculously saves the frightened disciples. They were caught in the midst of a storm and Jesus comes to them walking on water. Peter while walking on the water towards Jesus began to sink and asks his master to save him. Jesus tells him to place his trust in him.

There is nothing that life can throw at us that we cannot overcome with the Lord. Even death. Recently, I spoke with an elderly lady whose body was quitting on her. She told me that she was not afraid of dying because she has placed everything in God's hands. If and when she dies, she will die in his arms.

Today we pray for the courage to trust in the Lord.

Mission Cooperative Weekend - August 19-20, 2017: I am Father Victor from India. I am glad to celebrate Holy Mass in your parish and to share my experience with the people and about the children (from Kindergarten through 12th grade) who are educated in "Our Lady of Fatima School" in India, in the remote and rural village called Adhichanur. This school was built eight years ago and now serves 350 children from 15 different villages where their parents have no access to send them to school to learn English, because they don't have financial support or any transportation facilities. Therefore I will be at your parish on their behalf, to request your blessings and financial support to continue to educate them. With the permission of the Diocese of LaCrosse and Fr.
