Parish Life and Ministry Opportunities 2018

Please complete this form and return it to the parish office no later than August 31, 2018. Remember...

- Every parish volunteer, in every ministry, must make a new commitment each year in order to continue in that ministry.
- Use one form per family, not per person. Complete the family LAST name/phone number/address information for your household; then complete the MEMBER name/cell phone/email section for each individual.
- Write the name of the family member on one of the lines next to the ministry or activity in which that person wishes to participate.
- Some ministries—those marked *—require a criminal history background check and participation in a Protecting God’s Children workshop. Some ministries require some formation or training.
- The deadline for responding is August 31, in order to be included in any required training or formation programs. You will be contacted after that with the next steps for you and your family members.
