PASTOR'S CORNER

Dear friends,

This weekend, we officially kick off the Bishops Ministry Appeal for this year! On behalf of all of us, I would like to express our appreciation to Geoff Wong, our chairperson for this year, for all the efforts he is making to help make this yet another successful year. Geoff is speaking at all masses this weekend. Next weekend, we hope to have a video message from the Diocese and from Bishop Cotta. The weekend after that, I plan on sharing my message regarding this important appeal. Since our parish has had such phenomenal success, I firmly hope that we will follow through and knock it out of the ballpark once again this year!!

I also want to let you know that we are having some exciting developments regarding the construction project for the expansion of our current facilities. Our architect Jim Shaw, Mark Shahrok (our long-standing and very diligent building committee chairperson), Marie Lorenzi (our bookkeeper), and myself had a meeting at the diocesan offices on Wednesday with the Diocesan Building Committee to discuss the current state of affairs. It was a very positive meeting and we are on track, as far as anyone can tell, to put a shovel in the ground and begin construction within the next two months. I know that you have been waiting for this for a long time and that it will be very exciting moment. We will hope to have some sort of a groundbreaking celebration (perhaps with Pinot Noir!!) to mark the occasion!! I will be doing my best to keep you posted on a regular basis in the bulletin. By the way, this week we also received our 2018 BMA check from the diocese in the amount of \$49,375.

There is a powerful energy and enthusiasm in this parish, which I'm sure will only grow over the next years with the help of the Holy Spirit!! God Bless all of you for your goodness and patience!!

Fr. Bill

TIPS FOR TITHING

What we give to God is God's share of the blessings we have received from Him. They are needed to carry on the work of God in and through the Church. What we give to God is not charity but is that of our Christian obligation. Charity done for individuals or organizations cannot be a substitute for tithing.
